***Vide* Answer to Question No. 9.**

Circular No. VII of 1915.

Inspecting Officers are requested to effect all transfers of teachers necessary in the interests of the schools or for the convenience of the persons concerned before the end of the current vacation, so that there may not be any occasion to make a transfer during the course of the next school year. Transfers involving change of Range may, if necessary, be recommended to this office. All teachers applying for transfers to schools at or near their native villages should, to the extent possible, have their request granted except in cases where there is reason to fear that transfers to native places may prove detrimental to the interests of the schools.

Office of the Director of Public Instruction, Trivandrum, 22nd April, 1915.

P. RAMASWAMY AIYAR,
For Director of Public Instruction.
